Dear Friends,

Our winter weather has arrived here south of the equator. We aren't having snowstorms, but the upper 20s without indoor heat or insulation feels frigid for almost anyone. Fortunately, I thrive in cooler weather and this is my favorite time of year. One of our ministry efforts during this time of year is to take teams hiking in the nearby mountain range. The cooler weather makes the physical exertion more invigorating and that makes it easier for us to invite unsaved friends to go with us. The hikes give us opportunities to get to know new friends better and show them the love of Christ through our actions and words. We have had several people come to our church services for the first time after having participated with us on a mountain hike. Just recently there were 36 of us who climbed a local peak and one of our members had 2 workmates and their wives go also. We always have prayer before we begin the hike and, during it, we intentionally point out God's greatness in the creation of the natural beauty around us. When we stop

to eat our packed lunches, we give thanks for His provision. I have spent time teaching our people how to use

opportunities like these to find open doors for sharing the gospel with their friends and family members who accompany us. We also teach the entire group to consider how they behave and treat our guests so as to reinforce what the one sharing the gospel has to say.

These hikes are also a great way to get some physical exercise while being distracted by the beautiful scenery around us.

Our outreach team went to three interior towns this month sharing the gospel. We were amazed at how many

teens and children are being abused, both sexually and physically. Sadly, many times it is the very family mem-

bers that should be loving and protecting them that are doing the abuse. It is enough to break your heart hearing 8 to 18 year-olds tell about suicide attempts and feelings of being unloved by their parents. Most of them live in father-

less homes and often the stepfathers and step-uncles are the sexual abusers and aunts often abuse them physically when they are called upon to "babysit" their nieces and nephews. On the one hand, these youth are distrusting of nearly everyone, but

The hikes give us opportunities to get to know new friends better and show them the love of Christ through our actions and words.

on the other they are very hungry for the good news that God loves them. Our teams are almost overwhelmed with sadness for their situations, but often are thrilled with joy when these youth come to Christ as their Lord and Savior! Our team was privileged to share the gospel in public parks and schools to over 2,000 students, teachers and adults this month. Only eternity will reveal how many of these truly surrendered their lives to Christ, but dozens openly confessed that they are now trusting in Jesus as their Lord and Savior. We are grateful for the opportunity to take the good news to them and we want be faithful in doing it while we still can.

Next Sunday we will begin worship and Bible study in English for the first time in our church services. We don't know what kind of attendance to expect, but we are hoping that it will be a ministry that will only increase our outreach in the community. Many Brazilians want and some need English for their jobs and education, so there are quite a few who, we believe, will come to improve their language skills. It is our hope that God will use this strategy to communicate His word to them even if their aim is only secular. Please pray that God will save many through us.

In Christ's love,
Bobby and Charlene Wacaser

Studying about Daily Devotions with Emmanuel

July 4, 2019

Dear praying friends,

We wish you each a great day of celebrating independence in America. This is such a special time to be with friends and family. May we be a nation that honors God and desires to please Him. I am reminded of Proverbs 14:34, which says *"Righteousness exalteth a nation: but sin is a reproach to any people."* May we be a people with the desire to please God and serve Him. It's hard to believe we are already into the month of July. Time passes so fast. This update will share current prayer requests, as well as ministry updates. I (Nathan) am continuing to disciple a younger Kenyan man named Emmanuel here in Kitale. I am pleased with the progress he is making and the spiritual growth that I have seen in him. He has much potential, so please pray for him,

that he would take these teachings out to reach his own people. We recently considered about "Daily Devotions," or taking time out of each day to be alone with God and hear from Him. There were so many important teachings in the lesson, such as finding a good time of day (preferably morning before the activities of the day), a good place (a place where you will not be disturbed), and taking a pen and notebook to record what God is saying to you. There are also questions to be asked of each passage, questions that dig deeper in the Scriptures and help one to understand it better. Please continue to pray for Emmanuel and his spiritual growth and development.

I am also continuing to teach at the Annex prison. I recently taught on Noah and the Ark. There were many things to consider from this lesson, but I wanted to point out that the people of Noah's day were given a very long time to repent and agree with God. Because of their hard heart, they refused to heed God's warnings and were punished in the end. I am reminded of 2

Peter 3:9, which says *"The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance."* May we be aware of the dangers of having a hard heart, and hear the warnings that God gives us. This is a wise way to live. Please pray for this ministry and the prisoners who come to hear and be taught the Word of God.

We are thankful that the hospital ministry is continuing along well. My wife has a servant spirit and has reached many mothers and babies with much needed clothing and supplies, as well as Gospel tracts. Please pray that many would be reached and much glory would go to God. He deserves all glory and praise.

We appreciate each of you so much. Thanks for your notes, cards of encouragement, sacrificial giving, and prayer support. You are such a blessing to us. We will keep you updated.

In Kitale,
Nathan and Carrie Radford

Dear Brother and Sisters,

It is a joy to know that our Saviour will never leave us nor forsake. His presence has been evident to us this month and I hope the same is true in your life. Thanks to all of you who have been praying for us and Judy's sister, Peggy. Some of the difficult symptoms she had when we arrived have improved. There have been a battery of doctor appointments and we have been glad to be here to get her to these. We are now awaiting answers on options for treatments in University Medical Research Centers.

I had the privilege of being with Paul and Wanda and our father,

John A. Hatcher, last week in Florida. They are all moving back to Manaus, Brazil, today. Your prayers for them as they seek to minister would be greatly appreciated.

During my time with them in Central Florida we had great fellowship.

The Lord has opened up doors to visit and speak in supporting churches and I am enjoying these opportunities and times of fellowship. If you are interested in us coming to share what God is doing in France or to minister to your church in any way, it would be delighted. Contact us through the email listed above.

Peggy has a couple of Bible studies that meet in her home and we have enjoyed participating in these. News from France is good and the brothers and sisters in Christ show great concern for Judy's sister. With long distance communication today, it is possible for us to continue part

of our ministry.

But, wherever we are is no surprise to God and He brings across our paths those who need to know Christ or believers who need to be encouraged and are and encouragement to us. Judy and I like to do Nordic Trekking for exercise. Since we do this on neighborhood streets and in public parks it, opens up many doors of contact. It is a bit unusual to see trekkers around this part of the country, so people stop and ask us about it and one thing leads to another and Jesus shows up on the scene!

May God bless you and use you as His light where you live!

Thankfully yours,
John and Judy Hatcher

You can email Bro. John to set up a tentative date for him to come to your church while he is in the States: JMHatcher@aol.com.

Hesitating to Collect Offerings

Roger & Julie Tate

P.O. Box 96
Kitale, Kenya
East Africa, 30200

June 27, 2019

Dear Brothers and Sisters in Christ, So, I started the Upper Room Baptist Chapel almost nine months ago. A number of people have attended and gone but I have been blessed with a few families and individuals who have faithfully attended and been an integral part of the Chapel. Since I started the Chapel almost nine months ago, I have not collected an offering or "passed the hat" in any way. I have been very hesitant to do so for various valid reasons, these reasons being especially relevant for here in Kenya. However, over the last few months at various intervals almost all of the faithful attendees to the Chapel have asked me why I haven't taken up any offerings. They have respectfully and lovingly questioned some of my reasoning with some good, logical reasoning of their own. One thing that I have heard from most of them is that they want the Chapel to continue long term and they know I cannot possibly be around

forever. They want to help support the ministry and ultimately see it become self-reliant. This is obviously a good, reasonable and Biblical goal (and quite lofty) which I whole-heartedly approve. Seeing as most of the faithful attendees have approached me on this matter at one time or another, I feel it necessary to discuss the reasons why I have hesitated such a long time to inaugurate the collection of offerings.

15 Valid Reasons Why I Have Hesitated to Collect Offerings at The URBC:

1. I don't want anyone thinking I (or the Chapel) just want their money;
2. In Kenya, too many pastors (and churches) are in it just for the money. To them it is a job, a lucrative job, and people are easily fleeced;
3. Too many Kenyan pastors and churches completely misuse donated money, stealing money from the offerings for their own personal use;
4. Misuse of money causes Kenyan

people to not trust the pastor;

5. I want the focus to be on the gospel ONLY and not on money (in some churches it's just money, money, money all the time);
6. I don't want anyone to think they cannot come to the Chapel to hear the gospel because they cannot contribute;
7. I don't want anyone feeling pres-

sured to give money they don't have or to take food off of someone's table (a reality here in Kenya);

8. I don't want any unbeliever to think we are here just to collect their money. I don't want them to even come close to thinking that;

9. Money can be a cause of division and fighting among

God's people. I have seen it cause countless troubles in Kitale churches as when there is money in the coffers people viciously fight over it;

10. People with the money tend to run a church with their money and have a greater influence within a

church;

11. Pastors focus more on people with money than people without money (James 2:1-4);

12. Ministry becomes one of numbers and money;

13. Pastors become afraid of preaching truth out of fear of losing tithing members. Pastors become puppets of tithing members;

14. People will come to our Chapel only for the expectation of getting some of the money in the coffers;

15. I don't want people to give money just so they will in turn receive material blessings, a typical and universal teaching here.

Do these sound like valid reasons to hesitate to you all? But my attendees have valid arguments too and I know that giving to the Lord's work is Biblical and vital to the health of the ministry. We will be discussing these matters at the Chapel. Please pray with us as we want to follow the instruction of the Bible and the leading of the Holy Spirit in our lives.

Until next month, beloved.

May God's peace and joy be with you.

For the glory of God in Kenya,
Roger & Julie Tate
(and Amy, Josiah & Chloe)

"They want to help support the ministry and ultimately see it become self-reliant. This is obviously a good, reasonable and Biblical goal (and quite lofty) which I whole-heartedly approve."

Back Home in Brazil; Pray for Andrew

Mike & Beverly Creiglow

mdcreig@hotmail.com
Caixa Postal 24
Cruzeiro do Sul, Acre,
Brazil 69980

July 31, 2019

Dear Brethren,

Well Bev and I finally made it back to Cruzeiro do Sul. It seems like every time we try to get home, we have some big adventure. What should only take us 2 days always ends up being 5 or even a week! I won't bore you with the blow by blow. We are just really glad to be home.

Of course, when you are away from

your "stuff" for a few weeks, the "stuff" gets messed up. The batteries on my jeep and motorcycle both gave up the ghost. I went everywhere in town and couldn't even find a battery for the motorcycle. Not even available in the capital, Rio Branco. So, much of my daytime hours have been spent trying to get things up and running again.

Things at church are going great though. My first week back, they had me very busy. On Sunday morning I did a "Sermon in a Sack" for the little ones. This was done in the main auditorium. The adults enjoy this almost as much as the kids. Then I had all the youth and adults for a lesson about some basics for the family. It was

VERY basic, but when I finished, they responded with loud applause. This happens now and then, but always catches me off guard. I preached the evening service and there was one lady coming to move her letter from a church in Rio Branco and three people were saved.

We have been able to do a few little things on the building. Right now, we are really concentrating on paying off a few bills from the first stage of the rebuild.

Please pray for my son Andrew. He is back in Manaus and it looks like he will be having major surgery again. He has seen at least 4 doctors already and will be seeing another tomorrow.

His body produces stones in his liver. He has had a number of procedures. He had major surgery in 2015 and we almost lost him. I was with him through the whole ordeal. If he does have to go through another surgery, I will be going to Manaus to be with him again. He does not have any kind of insurance. The socialized medicine (Brazil's version of Obamacare) doesn't work. Please pray.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ,
Mike Creiglow

Revitalizing Churches and Reaching "Paulistanos"

Judson & Raquel Hatcher

judsonhatcher@gmail.com
(859) 317-1192

Dear friends,

Thank you for your faithful prayers, engagement and financial investment. Read about a pastor who travels 6 hours to preach, a Digital Magazine on YouTube channel and "don't come in, we are too high". Intrigued? Please, read on.

CHURCH REVITALIZATION

Four months ago, Pastor Fabiano from Lupericio Baptist Church (started by my grandfather - John Hatcher) contacted me asking for help. We meet at a coffee shop and spoke for 3 hours. He explained "two years ago a church (that is now 47 years old with an average attendance of 25 people) here in São Paulo asked me for assistance, they were without a pastor for 8 years and were considering closing the doors. I agreed to travel 6 hours into the city to minister to them once a month. The church really wants and needs a full-time pastor, but they don't have enough funds to sustain one." He went on to ask me to help them in revitalization, growth and eventually bring in candidates for a new senior pastor. I agreed. I do training there on Wednesday evenings. We've worked through several series "Letting the Philipian Joy become Yours", "Taking an X-ray of this Church", "How to Effectively Share Christ", and now we are walking through "How to Disciple a New Believer". The church is considering a pastoral candidate I indicated, Helder Castro. Helder accepted Christ through my

father's ministry. I served as his mentor for several years and officiated his wedding ceremony. He has pastored in Manaus for 12 years. He visited the church twice for interviews and preaching. They will vote in the end of August for him to start in January 2020. In the meantime, I will step up my role to serve them as an interim pastor until December 2019. Helder will move with his wife and two sons to serve in making disciples through "Igreja Batista em Jardim Maria Virginia."

I am excited as this church has also agreed to participate in sending people for church planting with us and will also be a part of our "Life Together Network" of churches in São Paulo. Helder and Renatha will be a great contribution, as they are also church planters and we've worked together for many years. If the Lord lays on your heart to contribute

in prayer and financially assisting Pastor Helder during his first year in this church revitalization, please do so by designating to "J.H. - Pastor Helder / Church Revitalization"

through BFM.

IMAGINE, A BAPTIST CHURCH

Church planting is intense, especially with multiple fronts. Over the last year, we are enjoying the most fun we've ever had as a family in doing what we have always loved doing. Imagine is focused on reaching out to the unsaved/unchurched urban São Paulo city dweller. "Paulistanos", (as they are called in São Paulo city) are typically well informed, well-educated and cultured. If they are not "church going people" type, they don't plan to go... Period. We have done a lot of strategy customizing to finally reach our target audience. "Paulistanos" are known in Brazil as "workaholics" and in their down-time they want to hangout with friends and family, not go to "some religious meeting". So, we, the Church are going to where they are and doing what we know will gain credibility and trust in their hearts. We have our weekly evangelistic gatherings in parks, sports stores, malls, hospitals and through home dinners. As people surrender to Christ, we schedule basic discipleship in their home. We have a "Celebration Gathering" once

a month. In addition to this, we are currently working on our "YouTube" Channel to produce a Digital Magazine with episodes of 5 to 8 minutes, with Biblical teaching, insights for living and music. A "Paulistano" won't listen to a 40-minute sermon while in the subway but will listen to us for 5 to 8 minutes at a time. I have invited a spiritually solid team to help develop the content, including my father - Paul Hatcher. I've consulted with well-known Brazilian YouTubers on how to get it all started. Video production takes a lot of time, but the library of content with easy access for anyone and anywhere is priceless.

HOPE, A BAPTIST CHURCH

This church is situated in the middle of three ghettos, the families we minister to are very poor. My heart breaks every time I walk into people's homes and see the precarious conditions they live with their chil-

dren. People's hearts are very hardened and without hope. Here we have weekly Bible teaching, evangelism and home visitation. When we first started here, I wasn't sure how we would be received by the people, but as a rule (when the adults aren't high or drunk) we get invited inside their homes to pray and we receive a listening ear. Adult women tend to be infantile, as most of them never had a real childhood, due to becoming mothers at a young age. Men are stern and often irresponsible with their families. We do a lot of "Life Together" with people so they can see the light of grace.

We've had pasta nights, pizza parties, hamburger meets. Kids attend well in the children's ministry, adults are tougher, but we have made way in their hearts.

If you'd like to invest time in prayer for these and future church-plants, please do. Consider also in investing financially, you can do so by sending your contribution through Baptist Faith Missions, please designate "Jud Hatcher - Church planting".

FAMILY

Sarah and Laura started their new school year on July 30th, Benjamin and Melissa started on the 31st. They had a 6-week break between school years and were excited to start back. Stateside, the school year break is in the Summertime and is synonymous with "Fun in the Sun". Well, in the Southern Hemisphere, July is the coldest month of the year and homes do not have central heating systems. Electricity is so expensive that space heaters are not commonly used. Hence, our school year break is synonymous with "Eat your soup before it gets too cold."

We are truly grateful for the school the Lord provided for them. A year ago, Melissa (7 yrs) had not learned to read or write at the school in which the kids were enrolled. After a year (and much hard work) at this new school, Melissa now knows how to read and write in English and Portuguese. We are elated with joy as our kids are inspired by their teachers to study hard.

Recently, Baptist Faith Missions (through the leadership of the directors and Bro. Dave Parks' administrative skills) changed the health insurance provider, and all to the better. The plan gives us access to the best hospital in Brazil, located in São Paulo. As a result, we will be able to get more efficient treatment for Laura's left ear severe hearing loss, that was caused by a punctured ear drum.

As always, thank you for loving us and praying. We love you. Want to visit us in São Paulo? We'd love you host you. Come on down (Just let us know before you arrive at our door).

Grateful always,
Judson & Raquel Hatcher

Tourism Boat Offered for Missions; Difficult Moments

Odali & Kathy Barros

odali_kathy@hotmail.com
Iranduba, Amazonas
Brasil, S.A.

July 30, 2019

Dear Brothers and Sisters,

Time goes by so fast that it is hard to believe August is here. We pray and hope all is well with each of you. We have had wonderful moments and some difficult ones, but we know that God is in control and all we need is to trust Him.

Our son Jonas and his wife Kelly were expecting their first child, due at any moment, then the baby stopped moving. Well, they went to the doctor and there was no more heartbeat. The baby was born naturally at 9:45 pm tonight at the hospital and the mother is well. Pray for them that God will comfort their hearts.

We are so thankful for all the

friends and supporters that gave special offerings for the needs we had. The freezers for camp and us and the money for the car documents and truck to be fixed. God bless each one.

There is a Christian man in the city nearby that works with

Boat used for tourism that will be used for missions off-season

fishing tourism. They are building a new boat to use, and I am helping with the woodwork. This boat is not used the whole year so the man said that we can use it for mission trips when it is not being used! That will give us about 5 months to use it! Pray that God will guide us in the ministry.

The work in Iranduba at the new building has started back. Looks like this new area will be really great to reach out to more people. There are many children in this neighborhood. Pray that God will help and guide us as we reach out to this new area.

Also, we had a great surprise with the return of Paul and Wanda to Manaus. This makes Dad be close to the three of his children! Dad enjoys having us near him!

Thanks for your prayers and support! God bless each of you.

HELP US HONOR OUR VETERAN MISSIONARIES PENSIONERS

We are asking you to help us provide for our **Veteran Missionaries Pensioners** by contributing as generously as you can to our **Founder's Day Offering**.

Our **Founder's Day Offering** is designated to providing for the financial support of our **Veteran Missionaries**.

All of our pensioners have given substantial portions of their lives – and sometimes ALL of their adult lives – to the proclamation of the Gospel among the peoples of the nations.

Now, we have committed to them that we will give back to them and provide for them as generously as we can for the remainder of their years here.

None of their pensions are large, but they do reflect at least an expression of our appreciation and gratitude to them for giving their lives in service to Jesus Christ in partnership with BFM.

The pension benefit disbursements for our **Veteran Missionaries Pensioners** do not come from our General/Missionary Support Fund.

Rather, they are supplied from an

investment account we have established exclusively for this purpose: to provide monthly pension benefits for our **Veteran Missionaries**.

We call this account our **"Veteran Missionary Pension Account."**

All of your **Founder's Day Offerings** contributions will be deposited into the **Veteran Missionary Pension Account** that supplies their pensions month by month.

It is extremely important that we maintain and replenish the capital base in this account so their monthly pension benefits can be supplied by the interest and dividends on those deposits.

So, your **Founder's Day Offerings** will be your on-going contributions and expressions of your love and appreciation their missionary service.

Here is a list of our current Veteran Missionaries Pensioners. Others will be added in the future as they transition from active financial support to pension status.

\$3,400.00 Total Offerings received to date 2019

*"Now also when I am old and grayheaded,
O God, do not forsake me,
until I declare Your strength
to this generation,
Your power to everyone who is to come."
